WE PRINT 5000
COPIES EACH MONTH

YOUR GUIDE TO
EVERYTHING FROME

Frome isn't an ordinary town. And The List isn't an ordinary magazine. Printed on tactile, uncoated paper, designed with strong and forward-thinking originality, written by professionals and – most important – produced by people who live and breathe Frome, our magazine is something special.

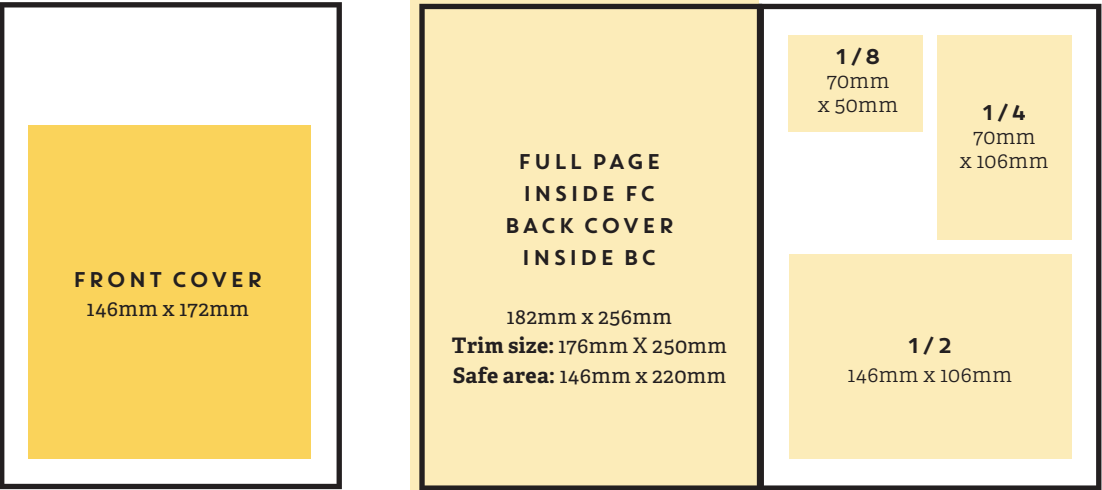

In print for over ten years, The List Frome has gained a large and loyal following, who read each issue, cover to cover. Every month, the magazine helps local businesses reach new customers and promote their services to an engaged and enthusiastic audience. We can help you with design, free of charge, offer free supporting editorial and support you online too.

We print 5,000 copies each month and distribute them door-to-door, throughout the town centre and in surrounding villages. But you'll have to grab one quick – they go like hot cakes!
